Taking the Lead ...

Senior Demetrish Bratcher looks toward her future.

Malcolm X (El Hajj Malik El Shabazz) 1925-1965

Malcolm X took the lead in life when he decided to educate himself to improve his vocabulary and intelligence while he was incarcerated. He took the lead in life when he decided to speak out on the assassination of President John F. Kennedy when Elijah Muhammad ordered that no minister shall make any public comments on the killing. He took the lead in life when he made a pilgrimage to Mecca finding out that in the Muslim religion there isn't a worry about color or race, just that they are all human beings given praise to their God "Allah". We must remember through it all he led himself ... he took the lead making his own future.

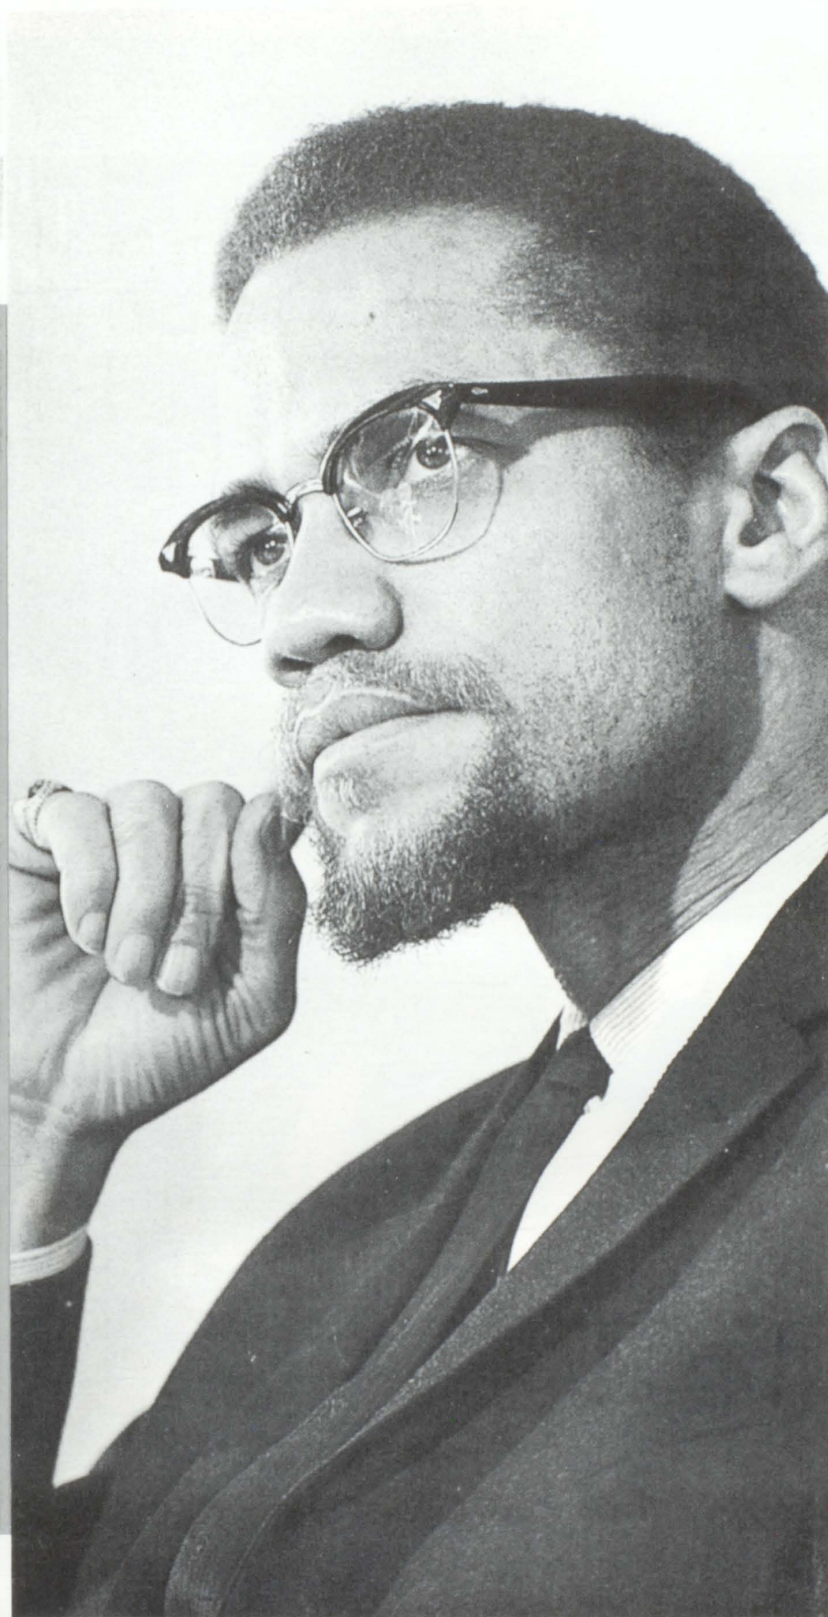

Malcolm X — our Afro-American Leader.

Seniors Brenda Rodriguez and José Espada work together in English IV.

FACULTY & STAFF

Taking the Lead ... INTO THE FUTURE

Morning Man Murray's
on the air again!

Now, what's Ms. Mincey
up to?

PRINCIPAL

Mary G. Bennett

On November 19, 1992, Alumni Day, you experienced the enthusiasm and commitment of members of the Class of 1972. These men and women took time out of their busy schedules to come back to their high school and share some of their fondest memories and pride for Malcolm X Shabazz High with you.

I hope you will always remember that day and reflect on how they managed to bring about the renaming of South Side High School. As high school students they had a goal and they did not stop until that goal was achieved. In June of 1972, they graduated proudly from Malcolm X Shabazz High School as the first class to receive diplomas imprinted with the school's new name.

I challenge you to make a commitment to come back in 2013, twenty years after you graduate, and work as hard for your alma mater as others before you have done. Can you meet the challenge?

Believe in yourself. I wish you success, good health, and happiness in all the years to come. It was a pleasure serving as your principal.

Best Wishes,
Mary G. Bennett

In Memory

Felicia Marie Patterson

To those that did not know Felicia, she was better known as "Foo" and loved by many until she was killed walking home from track practice by a stolen car.

Felicia would have been a Senior Bulldog, class of 1993, had she survived.

To Felicia,
This caps' for you!

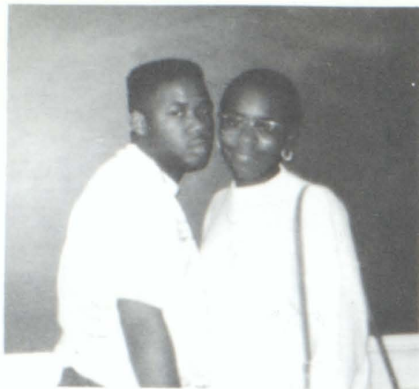

Dedication

In our search of a candidate to whom our Senior Class Yearbook would be dedicated was not as easy as it may seem. It took thought and consideration, which led us to observe many deserving people, who have helped us learn to help ourselves. However, because of his effort, belief in us through it all, and his dedication, we realized that the best candidate is none other than our very own Mr. Arthur Watkins.

He is Head Guidance counselor. He has helped us a lot; he is the one who gave us all that extra push we needed to get a taste of reality: and that is why we dedicate the Senior Class Yearbook to Mr. Arthur Watkins.

Mr. Watkins, we thank you!

— Malcolm X Shabazz

"Lift Every Voice and Sing"

*Lift every voice and sing
Till earth and heaven ring
Ring with the Harmonies of liberty.
Let our rejoicing rise
High as the listening skies
Let it resound
Loud as the rolling sea.
Sing a song full of the faith that the
dark past has taught us.
Sing a song full of the hope that the
present has brought us.
Facing the rising sun
of our new day begun
Let us march on
Till victory is won!*

— James Weldon Johnson
